ABSTRACT

The most important aspect of human life is its uncertainty. In the modern industrialized era. Human life and property are inevitably exposed to different kinds and varying degrees of risks and uncertainties. Human beings to protect themselves and their property from total disaster. Resort intelligently to protection coverage extended by the insurance companies which act as a trustee to the amount collected through premiums and provide certainty in the place of uncertainty. This article reveals the awareness. About LIC JEEVAN LAKSH POLICY holders five point there are a number insurance companies and different policy are available now but the role of JEEVAN LAKSH POLICY influencing peoples has to be calculated In this highly competition environment JLP has to satisfy the customers to gain more than other insurance policy . So understanding the customer needs their problems will enable the JLP to design appropriate products determine price correctly and increase their profitability.

Key words: LIC JEEVAN LAKSH POLICY Schemes

INTRODUCTION

LIC's Jeevan Lakshya is a Non-linked, Participating, Individual, Life Assurance plan which offers a combination of protection and savings. This plan provides for Annual Income benefit that may help to fulfil the needs of the family, primarily for the benefit of children, in case

of unfortunate death of Policyholder any time before maturity and a lump sum amount at the time of maturity irrespective of survival of the Policyholder. This plan also takes care of liquidity needs through its loan facility.

LIC JEEVAN LAKSHAY TALBE NUMBER 933
