Abstract:

2019 Result; Every day 100 to 150 people are coming with problems to seek the guidance or solution with us (Sarahu). In the span of 5 years people who are coming to the Sarahunaath are 88% of people having Infertility and physically handicapped, science of Architecture (dwelling), marriage proposals, mental illness, depression etc... In the span of 5 years continuously and radically are observed the above problems and find the will be reason behind this? In this period I can concluded that the reason was the demonic, serpents and genes are main root cause of the above problems. By this way in the period of 5 years did the experiment over 1 lakh of people and sort out their issues with organically. Here are the few examples of the people how we gave the solution to the people.

Case Studies 01 to 17:

Description: According to the research of SISBRA. 88% of dangerous aspects are happening due to the earthy materials like deaths, infertility i.e not having children. Earthy materials have the invisible energy. If you want to see those treasures with our naked eyes it is possible after the removal of life. Till that it exhibit as the invisible power to

the human. Due to this earthy materials (Treasure) 88% of women are suffering from infertility family disputes, quarrels between couples & divorce, and not getting married in right age, muscle pains in arms & legs, some other disease.

Getting nightmares everyday like appearing snake (Cobra), Kids, flowing water, saints & old people in their dreams and even 54.1% of vehicle accidents, suicides are due to these earthy materials. Loss of wealth is due to this spoilage of wealth is just as absorption of water in the sand it means too spontaneously. We are concluding that earth materials have the life but it has in several thousand forms like, snakes, granny, bison, dangerous poisonous insects, kids, beast, devil, brute etc.

There may be a defect in vastu (i.e. inappropriate construction of house irrespective of directions), often cause of some diseases or nightmare with snake (cobra), and getting lady or small kids in the dream. These all are not due to the defect of vastu or inappropriate construction or not because of any black magic, or not of the genetic disorder i.e. hereditary troubles.

These all are because of the presence of earthy treasures in the crusts of earth below their houses or fields or of the survival of enormously effective life which are playing their effects causes the troubles (i.e. defect of vastu) in the house.

Not only devils or demons (earth Treasure) and venomous germs are entering into the human's body, this leads to cause of the problems to the human beings. These problems were not known to the human beings. Naturally freshness is very fewer, wherever animal protein is there, this lead to generation new germs and cells (living things) this is due to the genes. These and all nothing but the evil spirit (demon).

Lesson- 02

Project -01. When we come across Tamarind, and such sour items and Gooseberry, Mango and other sour fruits are remembered naturally water comes out of the human tongue. Sour element comes. But that is not merely spit or saliva. It is purely sour. Then it will be acidic in nature. There is gravitational attraction between mans tongue saliva and sour items and such citric items. In the memory of man who enjoys sour and such other elements existed human. Whenever we sense taste the taste of sour items then immediately our memory catches this and gives signal.

Tongue has gravitational attraction of sour items.

Project -02.

For those who use more than AC frequently for daily use or living in cold areas, because of this kidney becomes week. Goes on diminishing. Nervous lose their life, and man succumbs to Varsity of diseases. If a man spends is whole time in AC rooms and presence of high voltage bulbs (Jumping Bulbs) in such rooms releasing of radiation from the bulbs and AC they effect the human memory. Often both the eyes are affected by the radiation of different high powered bulbs. Because of the effect of such bulbs mans eyes sight is going to decrease and we are force to use eye glasses. Activity in cold areas or radiations coming out from the AC rooms liberated going to harm, skin and bones of human slowly man becomes sensitive. Apart from the radiation the tiles and granites we use in our houses and offices also cold areas the skin, layer of human being is going to be severely affected from viruses. Then it gives rise to new type of diseases. The thinking power of a man decreases whenever the radiation from the bulbs falls on human head. After brain becomes nervous.
